Black towel radiator with WOOX switch

The black towel radiator is powered through a WOOX smart socket. Use the round button on the top of the socket to switch it on or off.

HOW TO USE / GUEST INSTRUCTIONS

1. Locate the WOOX smart socket connected to the radiator.
2. Press the round button on top once to switch on.
3. Press again to switch off.
4. Do not modify electrical connections or cover the radiator with unsuitable items.
5. Switch it off before departure.

This short guest guide does not replace the manufacturer’s official instructions. If controls differ or you are unsure, stop and contact the host.
